FEE

1 APRIL 2022
6.30PM-8PM SGT
ZOOM

A practitioner in mental health for over 30 years, John originally trained as a clinical psychologist working with children and families in the North of England. He then worked as a psychotherapist in adolescent and adult departments at the Tavistock Clinic in London before locating to rural Devon and holding several posts in the local NHS and university sites as a clinician and lecturer. John subsequently completed the training as a psychoanalyst at the British Psychoanalytic Society and now mainly works in private practice.
